9am to 4pm

Precision piecing and construction

Very Confident Beginner and Beyond - 1 day

This project combines 3" and 1-1/2" sawtooth stars with accuracy being the focus as students create double half-square triangle units to create the block(s). Students can choose either one or both sizes, depending on their skill level. Class time will be spent between lecture, explanation, demonstration and student sewing time. A handout for the project is included.

Helpful Resource (not required): *Mastering Precision Piecing* by Sally Collins
